9CR COASTIE REQUEST

GENERAL INFORMATION

To schedule *Coastie* for your division or flotilla event, this form must be submitted at least 30 days prior to the date *Coastie* would be needed. This would still not guarantee that the request would be granted. If multiple requests are made for the same date(s), consideration will be given to the type of event and the estimated number of attendees for determination of the most effective use of available personnel and *Coastie* units. Please do not plan on *Coastie* being at your event until you receive confirmation from the District Commodore.

Note: *Coastie* cannot travel in a parade without a trailer to perform on. Enter questions in COMMENTS.
